

Sisters,

Thank you for your hard work finishing up this chapter year!! Out of 36 active chapters, we had 28 end the year with a plus one in membership.

Great Job!!

May 1<sup>st</sup> we hit the ground running. Be sure to continue to talk to your members about the importance of the Women of the Moose. Be sure to explain to them that they must be a Moose member to be an active chapter member. Encourage any female chapter members that are in arrears with their lodge dues to get them paid.

If you need help with talking points, or would like someone to come and talk to your members, please reach out. I will arrange for someone to come and speak at a chapter meeting or orientation.
