

## WOTM GRAND REGENTS PROJECT

Please consider a special fundraiser to support the Grand Regents Project.

This year, the Grand Regent's Project is a \$150,000; commitment to provide new furniture and updated flooring in the Ohio Residence at Moosehaven.

Upon a recent visit to the residence, well-used, dark, heavy, scratched and worn furniture was observed in the rooms of our senior members.

While none of the residents complained, new furniture will surely brighten the rooms and spirits of those who reside in enhanced living. New flooring will assist those using mobility aids and rejuvenate the aesthetic of the home.

As the Women of the Moose have done in the past, our members and chapters continue to provide a bright future for our residents.

Contributions toward new furniture and flooring in the Ohio Residence at Moosehaven may be sent to **Moose Charities, earmarked Grand Regent's Project.**

Thanks to your generosity I know we can meet our \$150,000 goal by April 30, 2024.

Thank you for your support!

In Faith, Hope & Love,

Carol Ann
